# PURPOSE OF DEVELOPMENT CHARGES

The general purpose for which the County imposes development charges is to establish a viable capital funding source to meet the County's financial requirements.

The Council of the County of Lanark passed uniform By-law No. 2021-42 on December 8, 2021 under subsection 2(1) of the Development Charges Act, .

#### **Development Charge Rules**

The main rules for determining if a development charge is payable in a particular case, and for determining the amount of the charge, are as follows:

- 1. The development charges shall be calculated and be payable on the date the first building permit is issued.
- 2. The following uses are wholly exempt from development charges under the By-law:
- A place of worship and land used in connection with;
- Lands owned by and used for purposes of a Municipality, local board thereof, a board of education;
- An interior alteration to an existing building or structure which does not change or intensify the use of the land;
- The enlargement of an existing residential dwelling unit, or the creation of one or two additional units where specific conditions are met;
- Industrial Buildings;
- Hospitals
- · Non-residential farm buildings;
- A reduction in development charges under the By-law is allowed in the case of a demolition or redevelopment of a residential, non-residential, or mixed use building or structure, provided that the building or structure was occupied, and a building permit for the redevelopment of the land was issued within five years of the issuance of the demolition permit.
- 3. In addition to 2., any other development that has been exempt by a local tier Development Charges By-law, will be exempt from Lanark County's Development Charges.
